question

The residues (constants) of partial fraction for F(s)=1/(s^2) are

Select one:

- a. 0;1
- b. 1 ;1
- c. 1;-1
- d. 0;-1

Clear my choice

question

The residues (constants) of partial fraction for $F(s)=1/\{(s+2)(s+1)\}$ are

Select one:

- a. 0;1
- b. -1;1
- c. 0;-1
- d. 1;1

Clear my choice

The residues (constants) of partial fraction for F(s)=1/(s^2) are

Select one:

- a. 2;-2
- b. 2,0
- c. 0;-2
- d. 2 ;1

Clear my choice

In temperature control system, the feedback path is

Select one:

- a. Thermometer
- b. All above
- c. Analog to digital converter
- d. Interface

Clear my choice

a damped ramp function can be created multiplying ramp function by

Select one:

- a. step function
- b. sinusoidal function
- c. exponential function
- d. impulse function

Clear my choice

The initial value f(0) of the function F(s)= (s+2)/{s(s+1)} is

Select one:

- a. 0,5
- b. 2
- c. 0
- d. 1

Clear my choice
